

Hello Contestants,

We are happy you have chosen to enter the Lighting Design Contest this year. It is very exciting to see the program triple in this, the second year of the contest and we are very excited to see what you have to show us this weekend.

I'm sure you are all beginning to wonder when you should be there. I have arbitrarily assigned the following slots based on travel distance and conflicts with other contests a few of you have also entered. There is not much room to move from this schedule, but if there are any issues, please let us know as soon as possible and we can try to accommodate you. Also, I have not received any emails with questions about the contest itself, but if you (still) have any, please don't hesitate to send them along.

9:30 Alex Stanichik (I have your name spelled a couple different ways. I apologize if I chose the wrong one.)

10:00 Timothy Knief

10:30 Cris George

11:00 Emily Koekkoek

11:30 Jay Allison
