

Hi everyone!

We are so excited for the Hair and Makeup Design Contest this year! We are going to ask that you all plan to be at St. John's Prep 72 Spring St. in Danvers to present your designs at 9:30am. Since there are not that many of you, the judge has asked to run the contest as a workshop, where you can all present in front of each other and he can tailor some instruction to help all of you! He also would love it if you can bring the makeup you are using in your designs, as he would love to show you some practical applications. Looking forward to meeting everyone on the 3rd!

If you need to contact me beforehand, my email is andrea.mastroianni@leominster.mec.edu
