AWARD SELECTION PROCESS—

The MET Musical Auditions Event

Date/Time: **TBA sometime in April 2019 9:00 am – 5:00 pm**

Place: **TBA**

Proposed Schedule: Performance Session 1: 9-10:30
Dance Call: 10:30-11:30
Performance Session 2: 11:30-1:00
Lunch/Deliberation: 1:00-2:00
Finals Session: 2:00-3:00

On the day of the event, nominees will participate in Preliminary Round in the morning that includes a performance session and a dance session. Students will be asked to prepare a cut of a song (32 bars) from the role in the production their school entered into the MET AWARDS. During the group performance/dance sessions, a panel of adjudicators will score the nominees in several categories, using a program rubric created to align with the Jimmy Awards guidelines.

10 students will be selected (5 actors and 5 actresses) based on the highest scores to perform in the Final Round in the afternoon. They will perform their first song in its entirety and one additional musical theatre song that showcases their acting and vocal range. A panel of three adjudicators comprised of theater professionals will evaluate the performances and confer awards on the Best Actor and Best Actress.

The adjudicators' decisions are final. In the event the Best Actor or Actress becomes unable to participate in the NHSMTA, the next highest score in the corresponding category will represent the METG at that national competition.
