

MEDICAL CONSENT & LIABILITY RELEASE FORMS

INSTRUCTIONS FOR COMPLETION

The METG has transitioned the Medical Consent & Liability Release from to an online platform known as Family ID. This will allow for an entirely paperless mechanism for organizing and storing student's health data. Online collection of data also allows for the form to be updated annually as opposed to resubmitting each festival. Furthermore, having real-time access to health data allows the Festival Nurse(s) and other key Guild personnel to provide emergency contact and/or health information if required. All data is kept completely confidential and removed for the online database at the end of the season.

Instructions for Parents/Guardians

- 1) Parents/guardians (or students over the age of eighteen) may access the online form at the following website:

<https://www.familyid.com/organizations/the-massachusetts-educational-theater-guild-inc-metg>

- 2) To access the online form, a new family must register by providing an email address and creating a unique password. You will be required to verify your account through a link emailed to the provided email account. For those families who participated last year in any METG event, you will merely have to login with your email and password. If you have multiple children participating, you only need to login once—the system will allow you to submit multiple forms.

- 3) Once you have completed your login and are in the system, go to the link mentioned above and click on the event that you want to register for. This will take you to the online form.

- 4) All required fields must be filled out in order for you to submit the form to the METG. Returning families will only have to check the information that they filled out last year.

- 5) Questions about form completion may be emailed to (metg@metg.org) or you call the METG at (774-521-3022)

- 6) Students will not be permitted to participate if the form is not submitted by the required deadline.

- 7) For parents/guardians that do not have access to email/internet or where completing the form online may be an issue, a paper form (**NEXT PAGE**) may be submitted and delivered to the director.

NOTE:

1. Student will not be permitted to participate if this form contains incomplete information and/or appropriate signature is missing.
2. Use a separate form for each student.
